These efforts were made under such ungracious circumstances, that though your brother John Futch Jr. might have been moved to make generous reward for the affection of a faithful wife, he never could have consented, & never did consent to beggar himself & his children, to gratify the avarice of a suspected wife, and in her importunities by the offensives impudence of her paramour.

John Futch & others^{es} In Chancery - 2
vs
Lavina Futch & others^{es} Jan'y. Term AD 1837
To his Honor the Chancellor

Your orators John Futch, Esq^r, John
Futch Jr. - Isaac Futch, - Luke Lot, - Preston
Bayard, & Stephen Lewis, all of Greene County
& State of Mississippi humbly complaining show
unto your Honor.

That - on the day of
AD 18th in the State of Georgia, it was
the misfortune of your orator John Futch Esq^r
to have intermarried with one Lavina
and when your orators pray may be
made a defendant to this their Bill of Complaint.
That - though your orator John Futch Esq^r was ever
kind just & faithful to his said wife Lavina, yet
your orators charge that the said Lavina not reciprocating
that kindness, justice & conjugal fidelity on her
part, did in the year 1814, (A before & afterward)
cherish & encourage as your orators believe, an
improper intimacy with one Joseph Glisson, to
the great disturbance of that domestic happiness
which is reasonable hoped for in the houses - obser-
vances of the obligations of married life. Your
orator John Futch Esq^r will forbear to particularize
on the conduct of his wife at this period of their
married state, but - will only remark, that beside

the injury to his feelings, ita inflicted by the
indiscret, if not criminal intercourse of his wife
Lavinia with the said Joseph Glisours, the the
said Lavinia & the said Glisours by various
artifices, threats & persuasions, frequently urged,
& strenuously persevered in their endeavours, to
get - your brother the said John Futch ^{Esq.} to make
over to his wife Lavinia, all, or at least a part
of the Estate real & personal of which he was
then possessed. Their efforts were made under
such ungracious circumstances, that though your
brother John Futch ^{Esq.} might have been moved
to make generous reward for the affections of a
faithful wife, he never could have consented, &
never did consent to beggar himself & his
children, to gratify the avarice of a suspected
wife, aided in her importunities by the officious
influence of her paramour

Your brother, ^{John Futch Esq.} continued while in Georgia to suffer
from the cause intrusted, much domestic disgris-
etude, & hoping for some benefit - by a
change of Residence, he did in the year 18.
remove to this state. But the said Lavinia
continuing possessed, of all the tormenting propensities
of a bad wife, persevered in ~~her~~ her evil & repulsive
habits, till on the day of A.D. 18 ¹⁸ she
abandoned the bed & board of the said John Futch ^{Esq.}
& has ever since continued to reside abroad, and

to assert the privileges, of an unmarried woman

Your orators would further represent,
that in the year 1814. the said John Futch Jr. was
seized & possessed of a tract -of land situated in
Bullock County, State of Georgia on which he then
resided, containing four hundred acres, - together
with ten negro slaves, named, Peter, Simon, Nancy
Moses, Phancy, Lilla, Hardy, Amy, Smart, &
one child, - with horses, cattle, hogs, farming utensils
& such house hold furniture as usually appertains
to an ordinary planter

That since the year 1814. the number
of said slaves have considerably augmented by
Natural increase, so that in the year 1835 =
beside those retained by said John Futch Jr. the
following slaves were severally acquired by certain
of your orators as follows

To your orator John Futch Jr. by the certain
kind of gift - of said John Futch Jr. the slaves
Hardy & Bob, - as per a copy of said Deed herewith
Exhibited marked (A) & prayed to be taken as part -
of this Bill

And to your orator Isaac Futch, the
slaves Sampson & Hester, by the like Deed
of the said John Futch Jr. as, ^{per copy thereof} herewith exhibited
marked (B) & prayed to be taken as part - of this
Bill

And to your orator Luke Lott the slaves
Sam, Jayne, Willis, & Sophia, by the like Deed

of the said John Futch ~~as per copy thereof~~ ^{as per copy thereof} herewith exhibited
marked (C) & prayed to be taken as part of this Bill
And to your orator Preston Bayard, the slaves
Louise, Rose, & Dave, by the like D^red of
the said John Futch ~~as per copy thereof~~ ^{as per copy thereof} herewith exhibited
marked (D) & prayed to be taken as part of
this Bill.

And to your orator Stephen Lewis,
the slaves Silla, - Hannah, - ~~Hosea~~, by the like
D^red of the said John Futch ~~as per copy thereof~~ ^{as per copy thereof} herewith exhibited
marked (E) & prayed to be taken as part of this Bill.

That - the said slaves so conveyed by the
said John Futch ~~as~~ to your several orators as aforesaid
were conveyed on consideration of love & affection
to the said grantees, as the sons, & sons-in-law of
the said John Futch ~~as~~, - & to whom, your orators
had all well hoped, & believed, a good & unim-
-umbered fit to said slaves had been thereby
duly transmitted.

But - your orators would further
represent, - & the said John Futch ~~as~~ particularly
represents, that among the last of his troubles &
difficulties with his said wife Zavina, she for the
first time made pretensions to be the sole owner of all
the estate real, personal & mixed of which the said John
Futch ~~as~~ was seized & possessed in the year 1814.
together with all its increase & profits, ever since, of
which estate & its increase, the slaves so conveyed
as aforesaid compose a part.

And your orators

further charge, & the said John Futch $\frac{3}{4}$ in particular charges, that on the occasion last aforesaid, he was, for the first time in his life notified, by the said Lavina or otherwise, that she pretended to claim the said property by a conveyance from the said John Futch $\frac{3}{4}$: - And greatly to his surprise, for the first time ~~misled~~ by the pretended Deed of the said John Futch $\frac{3}{4}$, ~~she says wherefore is herewith exhibited marked (F.)~~ & prayed to be taken as part of this Bill.

Your orators represent - that the said Deed purports to be a conveyance by the said John Futch $\frac{3}{4}$ of all the estate real personal of which the said Futch was seized & possessed at the date thereof, to wit - on 21st March 1814, to William Mallard & David Johnson, formerly of the State of Georgia, both of whom are now deceased, & whose unknown heirs & representatives your orators may to make defendants by the usual process of publication against them, to this Bill of complaint.

That - said Deed to Mallard & Johnson purports to be in trust for the said Lavina Futch exclusively, giving her an immediate, absolute control of all the property therein conveyed; giving an unqualified right to the said Lavina, of the rents issues increase & profits thereof, of which increase, the slaves of your orators John Futch Jr - Isaac Futch Lake Lot, - Stephen Lewis, & Preston Bayard, (Excepting the two slaves Silla & Hardy of the old stock) form a part. That said Deed makes

no reservation to the said John Futch ~~in~~ in any event - nor does it make or contain any provision for his children. It in terms disposes the said John Futch ~~in~~ not only of the title to all the property of every kind which he then owned, - but also of all right to the compact, - & all right to the possession thereof from the date of said D^ec^d. It also not only purports to authorise the said Lavinia to dispose of the same by last will and testament but also to make any disposition thereof which "she may choose to make during her life."

Your orators would represent - that the reasonable & the true and provisions of the D^ec^d, - its signature to the said John Futch ~~in~~ & to the rest of your orators as his children, is sufficient upon its face to stamp the transaction with gross fraud in its procurement - or of utter incapacity on the part of the supposed grantor, either from fears of bodily harm, or infidelity of mind, so as to render the supposed act void in law. And your orators charge, that if in any event - it - shall be made to appear, that the said John Futch ~~in~~ did in fact affix his real signature to said supposed D^ec^d (which they deny) the same was so done under such fear, threats, or mental incapacity, that the same is void in law, & should be so decreed by your Honorable Court. -

But your orators charge & such is the truth, that the said John Futch ~~in~~ never did execute & deliver the said supposed

Conveyance in Trust - & that the same is not -
the act - & died of the said John Futch \mathbb{E} . But -
that the same deed so far as the said Futch
is a party thereto is a forgery, & in all respects
a fraudulent circumstance of your orators Title
respectively, to the slaves aforesaid. And your orators
charge that notwithstanding the supposed Deed of trust
by its terms made an immediate transfer of title -
title & possession, yet they expressly charge that -
for about twenty years since the date of said
pretended Deed, this Title paper & the rights it -
professes to secure, have been kept secret & concealed
from your orators, & the said John Futch \mathbb{E} in par-
ticular; & no attempt whatever has been made to
assert the Title till within the last two years, - & that
the possession of your orators still remains unchanged
to the property in controversy. And in referring
to the period at which said last-died bears date, &
the intimacy which at that time subsisted between
the said Lavinia Futch, & the said Joseph Glisson,
(the latter of whose name appears as a subscribing
witness to said Deed), your orators charge as
their belief, that the said Deed was fraudulently
got up, by the aid & contrivance of said Glisson, &
if it ever was signed by the John Futch \mathbb{E} (which
your orators deny) it was procured to be done, by the
conjoined tricks, artifices & undue means practiced
upon the said John Futch \mathbb{E} by the said Lavinia
Futch & Joseph Glisson; & to which act the said
John Futch \mathbb{E} has never knowingly & deliberately
assented.

All which actions & doings,

are contrary to equity & good conscience &c &c

and for as much as your creditors are
without relief in the premises save in your
Honorable court where such like matters & things
are peculiarly cognizable & relatable &c &c.

Wherefore may it then your Honor that -
the said defendants in my true full & perfect answer
make to all the matters & things herein charged,
as fully & particularly as if the same was again here set-
forth & they specially interrogated thereto.

And the premises considered, may it please your
Honour to order & decree, that the said pretended deed of trust -
be annulled, vacated, & altogether set aside; - and that
the said unknown heirs & representatives of the said William
Mallard & David Johnson (the Trustees), & the said Lavinia
Futch (the ~~est-tee qui hui~~ test), be forever barred & precluded
from having or taking any thing by virtue thereof, & that
same be delivered to your creditors to be cancelled

And that your Honor will grant your creditors
the states unit of subpoena directed to the said Lavinia
Futch & the other defendant commanding them to
appear & be & answer &c.

And that your Honor will grant your
creditors all such other & further relief in the premises
as to equity shall appear & the justice of their
case may demand &c

And your creditors as a duly bound &c.
